

We find food contaminants most fascinating. How about you?

Romer Labs, a global player in food safety, is a leading provider of diagnostic solutions for the agricultural, food and feed industry. Our broad range of innovative tests and services play a pivotal role in integrated food safety solutions. We develop, produce and market test kits and services for detecting food allergens, food pathogens, genetically modified ingredients, mycotoxins and veterinary drug residues using state of the art technology. **Romer Labs is a DSM company.**

To further secure our rapid growth we are looking for the right woman or man to fill our vacant position as

LABORATORY ASSOCIATE (M/F/D)

THESE ARE YOUR TASKS AND RESPONSIBILITIES:

- Perform routine analyses of mycotoxins in feed and food by chromatography according to international standards independently and report in time
- Document all activities according to good documentation practice to comply to internal and ISO standards
- Responsible for laboratory areas (e.g. equipment, facility management, etc.)
- Order reference standards and consumables in SAP
- Actively share ideas on possible process improvements
- Participate in the development of new and improvement of existing mycotoxin testing methods

TO LEAVE REAL 'FOODPRINTS' WITH US YOU NEED THE FOLLOWING SKILLS:

- Bachelor in chemistry or chemical education (e.g. HTL) with at least 3 years of experience
- Accurate and structured working style
- Good documentation practice and a high level of self-organization
- Self-motivated personality, good at analytical thinking and passionate about research and method development
- Fluent in English

WHAT DO WE STAND FOR? WE ARE PIONEERS, PARTNERS AND PERFORMERS!

Your working place: **world class laboratories** with **state-of-the-art equipment**. As part of our ambitious scientific team you work together with the best on key topics of the global food chain to make the world's food safer. Romer Labs is constantly **growing** - since more than 35 years. This creates a lot of **space for good ideas** and opportunities for personal development and individual careers. [Here are some more good reasons to work for us. \(http://www.erber-group.net/en/careers/why-to-apply/\)](http://www.erber-group.net/en/careers/why-to-apply/)

WHAT ELSE DO YOU NEED TO KNOW?

- Reference Number: 855
- You will be based in Tulln (Austria)

- Your type of employment: 38.5 hours/week, full-time, permanent contract
- This position is available immediately however, we are happy to consider your notice period or your desired start date.
- Based on your classification in our ERBER Group career model, your professional experience and your qualification, we offer you an attractive total compensation package starting at € 35.000 gross p.a. (full-time incl. fix and variable components)
