

We are a step ahead
in animal nutrition.
How about you?

At **BIOMIN** we harness the power of science to support animal health and performance. By applying state-of-the-art and proprietary technology we deliver natural, sustainable and profitable solutions to the livestock industry. For over 35 years we have pioneered innovative solutions for mycotoxin risk management and gut performance. **BIOMIN is part of ERBER Group.**

To further secure our rapid growth we are looking for the right woman or man to fill our vacant position as

PRODUCT SPECIES MANAGER – SWINE/POULTRY (M/F)

THAT'S HOW YOU SUPPORT OUR PRODUCT MANAGEMENT TEAM:

- Product management and strategic marketing for the product line "Animal Nutrition/Feeding Solutions"
- Prepare product strategy for Premixes and Specialities and ensures implementation in the market
- Product Management coordination with the processes R+D, P+P and S+M
- Work with cross- functional and regional teams to develop product portfolio/positioning and customer service opportunities
- Develop and implement strategic objectives aligned with each region
- Conduct market analyses - monitor and evaluate trends, market share and match features and benefits to ensure competitive sales approach
- Ensure and conduct training of sales team, technical sales managers and distribution channels, ensure product documentation
- Product presentations at conferences for key accounts and sales team
- Preparation of commercial articles, technical bulletins and marketing material
