

Valneva Austria GmbH, a subsidiary of Valneva SE, focuses on pre-clinical and clinical vaccine development and QC testing. The company is located at the Campus Vienna Biocenter, a melting pot of biotechnology and life sciences in 1030 Vienna with about 160 employees. The site with its state-of-the-art R&D and QC laboratories holds a GMP certificate from the Austrian Agency for Health and Food Safety (AGES) and was successfully licensed by the US Food and Drug Administration (FDA) for QC testing of Valneva's marketed Japanese encephalitis vaccine.

We want to advertise a post for a **Technical Assistant** (m/f) in our CTM Analytics & Development team.

Your Responsibilities:

- Implementation of analytic GMP approval and stability tests for multiple projects in the clinical development
- Setting up, developing, transfer and validation of analytic GMP methods
- Writing and reviewing of GxP relevant documentation in English language (SOPs, processing reports, etc.)

Your Qualifications:

- MTA, BTA, DI (FH) or Master of Science in relevant field (Biology, Microbiology, Biotechnology, Bioengineering)
- Experience working in a laboratory (preferably immunology, virology or biotechnology)
- Experience working with cell based methods, ELISA, SDS-Page and/or HPLC is a plus
- Experience working with the qualification and validation of product testing methods is a plus
- Working according to GxP within a recognized quality system is a plus
- Accurate and reliable work style
- Good oral communication in German
- Good MS Office skills (Word and Excel)
- Ability to work on multiple projects with challenging timelines

Our Offer:

- Open, appreciative company culture with innovative spirit and attractive assignments
- International surrounding with flat hierarchies
- Good team spirit in a strong and highly motivated team
- Wide range of benefits

Due to legal reasons we are obliged to disclose the minimum salary for this position, which is € 30.350,- gross per year based on full-time employment. However our salaries are market oriented and in line with your qualifications and experience.

If you are interested in this challenging position, please send your application (**Ref.Nr. 11236-19-04**) to the Human Resources Department: applications.hr.vie@valneva.com
