

Where do technical sales managers have the more effective products and services in their portfolio?

Do you have what it takes to drive growth in the livestock feed industry? We are looking for the right woman or man to successfully lead BIOMIN on its future path as

Technical Sales Manager Europe

Specialization: Swine Nutrition / Job #11482

You are partners for our clients:

You give technical service especially to our **Danish customers and key accounts** and support the Sales Managers on the field in the Baltic countries. You give proposals for new product and application development and provide valuable solutions to customer requests. Further you are in charge of field trials, position the Biomin products in the market and give advice on feed technology.

Your background:

- Broad understanding of the Danish market needs
- Educational Background, ideally as Nutritionist with farm management experience
- Expertise in Swine Nutrition
- Native Dutch or fluent in Dutch

You are the ear close to the market for our further development:

Listen carefully is extremely important for a Technical Sales Manager, since your insight is the basis for the development of new products. You spend approximately 50% of your time at customer places around Europe, therefore your home base can be everywhere across Europe. During your attendance at international fairs and congresses you can show your strong networking skills.

We are Pioneers, Partners and Performers. That means for you:

- 100% of our trust in advance
- Exciting and challenging European tasks
- An enterprise in a group of companies with strong sales and growth during the past 30 years
- Top-notch teams and leading-edge technology
- Well-established, developing and new markets
- Unique company culture, broad diversity and flat hierarchies

At **BIOMIN** we harness the power of science to support animal health and performance. By applying state-of-the-art and proprietary technology we deliver natural, sustainable and profitable solutions to the livestock industry. For over 30 years we have pioneered innovative solutions for mycotoxin risk management and gut performance.

BIOMIN is part of ERBER Group.
