

Where do product managers
develop regional solutions
for global issues?

Do you have what it takes to drive growth in the livestock feed industry? We are looking for the right woman or man to successfully lead BIOMIN on its future path as

Head of Product Management (m/f)

Getzersdorf (Austria) / Job #4621

These are your tasks and responsibilities:

- Define the product strategy and ensure implementation in the market
- Overall responsibility for the product management "gut performance"
- Develop a core positioning for the product lines
- Define marketing plan and pricing
- Initiate and manage global product launches
- Identify customer needs
- Ensure global market intelligence including market, product and competitor analysis
- Coordination with product development, production and sales
- Product presentation at conferences and for key accounts

For result driven managers that want to make an effective mark, we are the best place to be. Are you ready?

- Natural science education e.g. animal nutrition, biotechnology or veterinary medicine
- Min. 10 years of working experience in the relevant (Animal science) or related industry (e.g. Biotech, Pharma, Feed, Food, Ingredients) in Product Management and/or Business Development
- Experience in an international business context
- Leadership skills
- Good communication and excellent English language skills

We are Pioneers, Partners and Performers. That means for you:

- 100% of our trust in advance
- Exciting and challenging European and global tasks
- An enterprise in a group of companies with strong sales and growth during the past 30 years
- Top-notch teams and leading-edge technology
- Well-established, developing and new markets
- Unique company culture, broad diversity and flat hierarchies
- Direct report to the CEO

The minimum collective salary required for this position is EUR 2.983,- gross per month (full-time). The actual payment depends on professional experience and qualifications.

At **BIOMIN** we harness the power of science to support animal health and performance. By applying state-of-the-art and proprietary technology we deliver natural, sustainable and profitable solutions to the livestock industry. For over 30 years we have pioneered innovative solutions for mycotoxin risk management and gut performance. BIOMIN is part of ERBER Group.

Are you ready to leave your footprint with us at BIOMIN?

We are looking forward to your online application: [Head of Product Management \(m/f\) /Job# 4621](#)
