

Where do technical sales managers have the more effective products and services in their portfolio?

Do you have what it takes to drive growth in the livestock feed industry? We are with immediate effect looking for the right woman or man to successfully lead BIOMIN as a full-time colleague on its future path as

Technical Sales Manager (m/f)

Specialization: Ruminant Nutrition

Europe / Job#11661

You are a partner for our clients:

You give technical service to customers and key accounts and support the sales managers in the field with specialization on Ruminant Nutrition. You give proposals for new product- and application development and provide valuable solutions to customer requests. Further you are in charge of field trials.

You are the ear close to the market for our further development:

Listen carefully is extremely important for a technical sales manager, since your insight is the basis for the development of new products. You spend approximately 50% of your time at customer places around Europe. During your attendance at international fairs and congresses you can show your profound technical knowledge and strong networking skills.

To leave your footprint with us you need the following skills:

- Academic education and background in animal nutrition (either Veterinary or Nutritional Degree)
- Minimum of 7 years of professional experience in this field
- Expert in Ruminant Nutrition
- Fluent in English, any other language of advantage

We are Pioneers, Partners and Performers. That means for you:

- 100% of our trust in advance
- Exciting and challenging European tasks
- An enterprise in a group of companies with strong sales and growth during the past 30 years
- Top-notch teams and leading-edge technology
- Well-established, developing and new markets
- Unique company culture, broad diversity and flat hierarchies

Your remuneration depends on your qualification and your performance with the opportunity for upward development.

At **BIOMIN** we harness the power of science to support animal health and performance. By applying state-of-the-art and proprietary technology we deliver natural, sustainable and profitable solutions to the livestock industry. For over 30 years we have pioneered innovative solutions for mycotoxin risk management and gut performance.

BIOMIN is part of ERBER Group.

Are you ready to leave your footprints with us?
