

Where do scientists satisfy their passionate hunger for researching on food safety?

Romer Labs is a leading provider of diagnostic solutions for food and feed safety. With pioneering research & development as well as a global sales network, we have grown consistently for 30 years. Romer Labs is part of **ERBER Group**.

You are a team player but can still be assertive? You like to work independently? Then there's a place for you in our team. We are growing rapidly, so we are looking for colleague to join us in a full-time capacity as soon as possible as an

Associate Production (m/f)

Tulln (Austria) / Job#12501

These are your tasks and responsibilities:

- Carrying out production activities according to ERBER safety, quality and environmental standards as well as existing SOPs
- Production of diagnostic kits and devices (e.g. ELISA and lateral flow device test kits, microbiological test devices)
- Cleaning of production areas and production equipment
- Preparation of primary packaging, such as labels, package inserts, etc.
- Documentation of all tasks conducted according to good documentation practice

In order to leave your foodprint, you need the following skills:

- Completed technical or natural science apprenticeship or comparable degree (e.g. technical college)
- Experience in a technical production environment
- Capacity for problem solving and logical structural thinking
- Pioneering spirit and performance orientation
- 100% passionate interest in food/feed industry

We are Pioneers, Partners and Performers. That means for you:

- 100% of our trust in advance
- Exciting and challenging tasks
- An enterprise in a group of companies with strong sales and growth during the past 30 years
- Top-notch teams and leading-edge technology
- Unique company culture, broad diversity and flat hierarchies

We guarantee a competitive, market-oriented salary dependent on your professional and personal qualifications. We are obliged by law to quote the minimum wage of EUR 22.400,- gross per year (full-time/38,5) for this position, in accordance with the respective collective agreement.

Are you ready to leave your 'foodprint' with us at Romer Labs?

We are looking forward to your online application: [Associate Production \(m/f\) \(Job# 12501\)](#)
