

## Lab Assistant

### Creation Assistant /Technologist - Your future position?

#### About the role:

As a Creation Assistant /Technologist based in Givaudan's laboratory in Vienna you will work closely with a Flavourist in order to prepare flavour samples and take part in flavour evaluations and testing. You will support effective creation and application process according to business goals and EH&S policies.

#### You will:

##### Flavour Preparation & Evaluation:

Prepare flavour samples as requested for customer briefs, applications needs, technology performance assessment, QC standards, physical testing, etc.

Maintain all required formula records and brief documentation in company database software

Maintain organized and updated stock of raw materials in the lab

Maintain organized collection of flavours in the lab for immediate response to requests

Assist in applying flavours to food products when assigned

Participate in the evaluation of raw materials (including experimental ingredients), new technology, and flavours in food products and provide flavour performance feedback

Ability to assist in documenting findings and assist in operation of creation tools

##### Environmental Health & Safety:

Maintain a clean and orderly laboratory environment in accordance with EH&S guidelines and good laboratory practices.

#### You?

Are you an active, open-minded team player? Are your sensory and communication skills finely tuned? Are you flexible, and adaptable with a precise and structured approach to work? Do you thrive in a culture where you can express yourself in a creative team environment and you can work with people who are as passionate as you are? Then come join us – and impact your world.

#### You have:

Polytechnic or Bachelor's Degree in Food Science, Chemistry, Biology

Good command of English

Knowledge of lab equipment and handling chemicals used to perform lab functions

Assist in sensory tests

Ability to participate in project and other technical meetings both internal and external

At Givaudan, you contribute to delightful taste and scent experiences that touch people's lives. You work within an inspiring teamwork culture – where you can thrive, collaborate and learn from other talented and passionate people across disciplines, regions and divisions. Join us and Impact Your World

Diversity drives innovation and creates closer connections with our employees, customers and partners. Givaudan embraces diversity and is committed to building an inclusive environment where everyone impacts our world.

The minimum salary for this position (m/f) reads approx. 2.400,00 EUR gross per month (full time employment with 38.5 hours/week), overpayment depending on education and experience is possible.
